SUBJECT:

CONSIDER MULTIPLE RESOLUTIONS APPROVING ADJUSTMENTS TO THE SALARIES, HEALTH INSURANCE PREMIUMS, RETIREMENT BENEFITS, TUITION EDUCATION REIMBURSEMENT, AND DEFERRED COMPENSATION CONTRIBUTION PROVIDED FOR ELECTED OFFICIALS, CITY CLERK AND CITY TREASURER (CITY COUNCIL)

I. SUMMARY

The City Council recently approved successor Memorandums of Understanding with four of the full-time bargaining units. The multi-year agreements included various cost of living enhancements to salary and health insurance benefits for city employees. Additionally, the City's unrepresented management employees also received similar increases to match the level of compensation of subordinate employees. To remain consistent with this pattern, staff is seeking approval of adjustments to the salaries, health insurance, retirement benefits, and deferred compensation contributions for Mayor and City Council Members and City Clerk and City Treasurer.

V. FISCAL IMPACT

Should there be a net impact resulting from the proposed benefits, staff will return at the mid-year to request an additional budget amendment to cover the costs. However, it is anticipated that the total fiscal impact will be minimal enough for the current Fiscal year operating budget to absorb.
