III. ALTERNATIVES

IV. BACKGROUND

The City of Carson was formally incorporated on February 20, 1968, after many years of neglect as an unincorporated part of Los Angeles County. By a vote of 6,301 to 3,834, residents approved its independence, and selected by a narrow 318 votes to call itself Carson.

Since then, the City has seen monumental growth and change, from a landscape of refuse dumps, landfills, and auto dismantling plants, to the construction of the SouthBay Pavilion and the Carson Civic Center (comprised of City Hall, a post office, sheriff station, the Community Center, and the Doubletree Hotel), to the expansion of California State University, Dominguez Hills. In recent years, new development has further altered the geography, with housing and businesses joining long established areas of the City. As the City sets its sights on continued progress, the community can look forward to additional enhancements that will create a better, brighter future for its residents.

In 2023, the City will have the opportunity to celebrate its many accomplishments during its 55th Anniversary. Three programs have been proposed to bring the community together: a gala ball, a street fair, and a Tour de Carson. The gala ball is scheduled to be held on

February 25, 2023, at the Carson Event Center; the street fair will take place on Carson Street, between Bonita and Avalon, on July 29, 2023; and the Tour de Carson is scheduled for August 12, 2023, on a yet-to-be-determined route throughout the City.

General Meetings wherein each planning subcommittee reports on what has transpired in the last month are held the third Thursday of every month. The most recent meeting was held on October 20, 2022. Staff will be providing a summary of what transpired at tonight.
