IV. BACKGROUND

On November 20, 2018, at the Direction of the City Council, staff was asked to meet and confer with American Federation of State, County and Municipal Employees (AFSCME) Local 1017 regarding the proposed representation status and title changes for the positions of Field Deputy and Senior Field Deputy (both currently unrepresented classifications) be converted to Community Liaison Representative and Senior Community Liaison Representative and assigned to the confidential employee bargaining unit as represented classifications.

As a result of the meet and confer process, AFSCME Local 1017 have agreed to the proposal of absorbing the new classifications in the confidential bargaining unit. The Field Deputy, Salary Range 248, (\$5,313 - \$6,780) which is currently an unclassified, unrepresented, “At-Will” classification, is being proposed to the new title of Community Liaison. The proposed title will also accompany a new status as a classified and represented position to better categorize the classification due to the highly sensitive and confidential interaction with the City Council and citizen engagement. The Senior Field Deputy, Salary Range 251, (\$5,723 - \$7,302) is also an unclassified, unrepresented, “At-Will” classification that is being proposed to the new title of Senior Community Liaison Representative. The proposed title will also accompany a new status as a classified and represented position to better categorize the classification due to the highly sensitive and confidential interaction with the City Council and citizen engagement.

In accordance with the City’s Employer-Employee Relations Resolution, Human Resources gave notice to all affected employee organizations and met and conferred with AFSCME Local 1017, AFSCME Local 809 and CPSA regarding these changes and reached agreement. In accordance with the City’s Municipal Code, classification specifications must be approved by the City Council in order to establish the proposed job title and status changes. Based on the recommendations from staff, the Field Deputy office will be eliminated to provide a more comprehensive focus on City projects with accountability to the City Manager’s office.
