IV. BACKGROUND

In June 2021, during the Fiscal Year 2021-22 budget process and workshops, the City Council approved up to \$220,000 for the purchase of a mobile stage. A Request for Proposals (RFP) was advertised through Planet bids, seeking prospective vendors from August 26, 2021 to September 16, 2021. By the September 16th deadline, a total of two (2) proposals/bids were received.

Proposals were reviewed and evaluated by staff from Community Services, City Manager's Office, Public Safety, and Public Works Departments. The proposal from Stageline Mobile Stage, Inc. (Exhibit No. 2) has been selected by staff as the recommended consultant, based on responsiveness to the RFP's requirements and vendor experience, as illustrated below:

Vendor	Price	Cumulative Score (points)	Average Score (points)
Stageline Mobile Stage, Inc.	\$185,551.00	455	91
Century Industries	\$241,094.00	349	69.8

Evaluation criteria included compliance with proposal requirements, qualification and experience, cost, and references. Additionally, evaluators highlighted Stageline's completeness of their proposal, the ability to deliver the stage in sixty days from issuance of Purchase order, a 3-year warranty, the reversibility of the stage, the ability to add onboard electric generator, stage lighting package, and the cost being lower than the other proposal received and under the approved \$220,000 budget approved by Council. Stageline Mobile Stage, Inc. is the lowest responsive and responsible bidder pursuant to

Carson Municipal Code Section 2610(i)] and is therefore being recommended by staff for purchase agreement approval by City Council.

V. FISCAL IMPACT

Should the City Council approve the recommendation, funds required for this fiscal year are available up to \$220,000 in the adopted 2021-2022 Fiscal Year budget in the Community Services Administration account 101-90-901-100-6009.
