IV. BACKGROUND

This vacancy exists as a result of a staff resignation within the Division. The Public Works Department is responsible for providing the City of Carson a safe, clean, and healthy environment. Through the design, construction, maintenance, and management of the municipal infrastructure system, Public Works seeks to enhance the overall quality of life for the community. The Engineering Division is responsible for planning, organizing, and reviewing private development, property acquisition, traffic and transportation engineering; approving plans, estimates and contract documents for major Public Works structures and projects such as the City's Five-Year Capital Improvement Program. Staff completed the Meet & Confer with CPSA/SEIU 721 on December 2, 2021 and both parties are in agreement on the proposed Stormwater Engineer job spec.

V. FISCAL IMPACT

There is no impact to the General Fund.
