SUBJECT:

CONSIDER APPROVING A MEMORANDUM OF UNDERSTANDING BETWEEN THE CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS OCCUPATIONAL THERAPY PROGRAM AND THE CITY OF CARSON

I. SUMMARY

Since January of 2019, the City's Therapeutic Recreation Program has collaborated with California State University, Dominguez Hills (CSUDH) to provide Occupational Therapy to program participants with disabilities. There currently is an affiliation agreement in place; however, this new MOU provides necessary liability protection for the City and CSUDH. It will also further enhance the mutually beneficial relationship between the Occupational Therapy Program and the City's Therapeutic Recreation Program by outlining the terms for coordination. The City Council is asked to approve this non-monetary Memorandum of Understanding (Exhibit No. 1).

II. RECOMMENDATION

1. APPROVE the Memorandum of Understanding between the California State University,

Dominguez Hills Occupational Therapy Program and the City of Carson.

2. AUTHORIZE the Mayor to execute the MOU, following approval as to form by the City Attorney.

III. ALTERNATIVES

TAKE any other action the Council deems appropriate.

IV. BACKGROUND

For the past three years, Faith Moy, Licensed Occupational Therapist from CSUDH, and her interns have provided Occupational Therapy to Therapeutic Recreation participants. This relationship has permitted student interns to receive hands-on experience that will help them grow professionally, while the participants receive Occupational Therapy to which they may not otherwise have access. Though the program was suspended due to the Covid-19 pandemic, a new affiliation agreement was approved by the City Council in 2021.

The City Council is asked to approve a new Memorandum of Understanding (MOU) that augments the existing affiliation agreement by outlining the terms for coordination between the City and CSUDH, as well as necessary liability protection for both parties. It is hoped that this new agreement will further strengthen and enhance the relationship that was established in 2019.

V. FISCAL IMPACT

None

VI. EXHIBITS

1. Proposed Memorandum of Understanding between the California State University Dominguez Hills Occupational Therapy program and the City of Carson. (pgs. 3-6)
