Report to Mayor and City Council

Tuesday, May 02, 2017

Consent

SUBJECT:

CONSIDER ADOPTING RESOLUTION NO. 17-054, AUTHORIZING THE SUBMITTAL OF APPLICATIONS FOR ALL CALRECYCLE GRANTS FOR WHICH THE CITY OF CARSON IS ELIGIBLE (CITY COUNCIL)

I. SUMMARY

The California Department of Resources Recycling and Recovery (CalRecycle), administers various grant programs (grants) to reduce, recycle, and reuse solid waste generated in the State of California (State).

In order to be eligible to receive grants, CalRecycle requires the adoption of a resolution by the City Council authorizing submittal and administration of applications for all grants for which the City of Carson is eligible.

Resolution No. 17-054 authorizes the City Manager to submit applications and administer the grant documents (Exhibit No. 1).

II. RECOMMENDATION

WAIVE further reading and ADOPT Resolution No. 17-054, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, AUTHORIZING THE SUBMITTAL OF APPLICATION(S) FOR ALL CALRECYCLE GRANTS FOR WHICH THE CITY OF CARSON IS ELIGIBLE."

III. ALTERNATIVES

1. DO NOT ADOPT Resolution No. 17-054. However, the state requires adoption of a resolution authorizing submittal of grant applications.
2. TAKE another action the City Council deems appropriate.

1. **IV. BACKGROUND**

The State initiated a program through CalRecycle for the reduction, reuse and recycling of used tires in order to reduce the impact on landfills. The City was successful last year and received a grant for \$150,000 for rubberized mulch used in drought tolerant landscaping applications.

In order to process grant applications, CalRecycle has established procedures governing the application, award, and management of the grants. The procedures require an applicant's governing body to declare, by resolution, certain authorizations related to the administration of CalRecycle grants.

Resolution No. 17-054 authorizes the submittal of applications to CalRecycle for various grants for which the City of Carson is eligible; and authorizes the City Manager to execute all grant documents, including applications, agreements, amendments, and requests for payment, as necessary to secure grant funds and implement the approved grant project.

The resolution also sets the time limit of these authorizations to the maximum allowable time set by CalRecycle, which is five years from the date of adoption of this resolution. Staff would return to the City Council for the actual authorization to apply for various grants during the five-year period of time, since the grants need to be consistent with the City's budget and Capital Improvement Program.

The current grant would authorize rubberized asphalt for bike pathway planned on the Dominguez Channel. The bike paths are funded through METRO grants. The amount of the CalRecycle grant would be \$150,000. There is no local match required.

V. FISCAL IMPACT

None.

VI. EXHIBITS

1. Resolution No 17-054. (pgs. 3-4)
