III. ALTERNATIVES

DO NOT ADOPT Resolution No. 18-039 however, a resolution is required as part of the City's grant application.

IV. BACKGROUND

The State of California has adopted a greenhouse gas (GHG) reduction programs, which include the collection of "cap and trade" revenues from industries, utilities and other major sources of GHG emissions statewide. The cap and trade revenues are distributed to various state agencies to award to qualifying communities in the form of grants.

The California Natural Resources Agency administers a grant program for urban greening efforts to urban communities. These grants play a significant role in meeting the state's greenhouse gas (GHG) emission reduction targets and if awarded to Carson would

The City Council is required to adopt the attached resolution which authorizes the submission of the grant by the City Manager, along with appropriate grant administration requirements.

V. FISCAL IMPACT

The total project cost for the Dominguez Channel and Pedestrian Bike Path between Main Street and Avalon Blvd is estimated at 5 million. The city has been granted \$1.2 million from the MTA Call for Projects. The city's application will ask for \$3.8 million. There is no match required for this grant.
