Discussion

SUBJECT:

CONSIDER ALLOCATIONS FOR CULTURAL ARTS GRANTS AND FACILITY USE AS RECOMMENDED BY THE CULTURAL ARTS COMMISSION (CITY COUNCIL)

I. SUMMARY

At the November 4, 2019 regular meeting, the Cultural Arts Commission decided on a 5-0 vote to recommend funding for four organizations that applied for Cultural Arts funding. They also voted to recommend facility use for two organizations not to exceed \$10,000 per applicant during calendar year 2020. These nine applicants are all Carson-based, and eight of them achieved the required minimum rating score of 70 points. The total amount of funding being recommended by the Commission for calendar year 2020 is \$40,000.00. The City Council is asked to approve the allocation of funds and facility use for the Cultural Arts applicants for calendar year 2020 as recommended by the Cultural Arts Commission.

II. RECOMMENDATION

APPROVE the Cultural Arts Commission funding and facility use recommendations for 2020 Cultural Art grants.

III. ALTERNATIVES

1. REJECT the Cultural Arts Commission Recommendations for 2020 Cultural Art grants.
2. PROVIDE alternative recommendations for the Cultural Arts grant 2020 program.
3. TAKE another action the Council deems appropriate.

IV. BACKGROUND

On October 21, 2019, nine grant applicants made presentations before the Cultural Arts Commission. The Commission reviewed scores and deliberated over the recommendations for funding the grants at its regular meeting on November 4, 2019. Both meetings were

properly posted.

The total amount requested from the four applicants specifically requesting funds was \$118,985. The applicants who submitted proposals for funds include:

- Alexey Steele - \$10,000
- CSUDH Foundation for Praxis City Arts Parks - \$40,000
- International Printing Museum - \$10,000
- Rockin Blues Entertainment - \$15,000
- Montecarlo Cultural and Community Medicine Foundation - \$13,985
- C2R Productions - \$10,000
- First Lutheran Church - \$20,000

The following applicants requested facility use for calendar year 2020:

- Grupo Folklorico Faisan: Not to exceed \$10,000
- Sophisticated Dance: Not to exceed \$10,000

Deliberations were conducted in accordance with the funding guidelines established by the City Council on November 8, 2006.

The first step in the recommendation process was to rate each applicant with a score ranging from 0 to 100. Rating sheets were provided to each commissioner. Applicant scores were based on Project Impact, Project Goal, Project Budgeting, Project Viability, Project Integrity, and whether or not the applicant is Carson-based. Each Commissioner completed an individual rating and the results were tabulated onto a spreadsheet (Exhibit No. 1). In an effort to make the process balanced, the highest and lowest scores were eliminated to give a true average. Eight out of nine applicants scored an average of 70 or better after the scores were tabulated by staff. (C2R Productions was eliminated with a score of 66.25.)

The second step in the process was for each commissioner to offer a funding recommendation for each applicant who scored 70 or higher. Each Commissioner was asked for a verbal funding recommendation via roll call. Again the results were tabulated onto a spreadsheet (Exhibit No. 2). Staff announced the average funding recommendation for each applicant. After some discussion and debate, the Commissioners agreed to recommend funding in the amount of \$10,000 per applicant for four applicants, while two applicants were not recommended for funding.

The next step was discussing facility use for the two applicants who requested it. Commissioners were again polled via roll-call vote, and they unanimously recommended facility use not to exceed \$10,000 for both applicants. A matrix showing the original

funding request, overall rating, and funding recommendation is attached (Exhibit No. 3).

Below are the recommendations for funding from the Cultural Arts Commission. The recommendations total to the full allocation of \$40,000.
