IV. BACKGROUND

Every two years after the municipal election, most Commission, Committee and Board (CCB) appointments expire.

As unscheduled vacancies arise or CCB members are frequently absent, it is best practice to consider new appointments.

Invitations to submit a CCB appointment application for all interested person(s) were posted in accordance to the Maddy Act. Applications for individuals requesting appointments were previously provided under separate cover to the Mayor and City Council.

On past occasions, the Mayor and City Council have changed the status of SC's from Ad Hoc to Standing, established new SC's, or declared SC's inactive.

City Council Policy/Procedure No. 1.45 (SMP 1.45), Council Sub-Committees, require that all SC members shall be appointed by the Mayor subject to formal approval by a majority of Council members present and voting at a properly noticed and agenda'd public meeting.

SMP 1.45 also differentiates between Standing SC's and Ad Hoc SC's. A Standing SC is one created for an indefinite time period or to address general subjects. Typically, any SC created that does not clearly qualify as an Ad Hoc SC will be a Standing SC. An Ad Hoc SC is one created for a limited time period to address a specific subject or issue of a temporary nature.

The Mayor, with the concurrence of City Council, can designate delegates and alternates to the various City-Affiliated Organizations as necessary at a regular meeting following the annual reorganization of the City Council and/or following any municipal election.

V. FISCAL IMPACT

Funds for CCB stipends are already budgeted for Fiscal Year 2020-2021. Funds for regular meetings of each of the City Council Sub-Committees and funds for membership dues and attendance at the annual conferences and regular meetings of each of the City-Affiliated Organizations are provided in the City Council Budget.
