Report to Mayor and City Council

Tuesday, June 15, 2021

Discussion

SUBJECT:

COVID-19 UPDATE (CITY COUNCIL)

I. SUMMARY

During this unprecedented pandemic, the City of Carson has had to adhere to Federal, State and County Executive orders, which helped slow the spread of the virus but it did so by shutting down our local businesses and severely impacting our economy. Our residents and businesses were directed by the State to follow stay-at-home orders, with the exception of employees who were determined to have an essential job or for residents to shop for essential needs. For the first time in its incorporated history, the City was not allowed to operate in any capacity outside of health measures dictated by the Federal, State and County governments.

As of the preparation of this report on June 9, 2021, Los Angeles County Public Health Department has reported 9,880 confirmed cases of COVID-19 within the City of Carson, with 1,245,412 cases within Los Angeles County (which includes cases reported by the Long Beach and Pasadena Health Departments). This underreports the actual spread of the virus since those who do not display symptoms or are otherwise mildly impacted have not been tested.

II. RECOMMENDATION

DISCUSS and PROVIDE any further direction.

III. ALTERNATIVES

TAKE another action the City Council deems appropriate.

IV. BACKGROUND

On May 4, 2021, the State of California moved Los Angeles County to the Yellow tier and on May 6, 2021, Los Angeles County aligned to Yellow tier protocols.

As of the date of this report, Los Angeles County has reported that 9,619,024 total vaccine doses have been administered with 4,117,512 second doses. As of the date of this report, 67% of Carson residents who are 16 and over have received at least one vaccine dose.

On April 27, 2021, the Centers for Disease Control and Prevention (CDC) released new recommendations on the wearing of outdoor masks for vaccinated individuals. The CDC now says that vaccinated individuals “can gather or conduct activities outdoors without wearing a mask except in certain crowded settings and venues.”

On May 21, 2021, the State Public Health Officer released information stating that on June 15, the state will “move beyond the Blueprint for a Safer Economy.” Capacity and physical distancing restrictions will be lifted in all sectors.

On May 27, 2021, the Disaster Council recommended a resolution to update the City’s Mandated Mask Order to align the City of Carson with the County of Los Angeles and State of California Public Health Officer Orders. The City Council, at the June 1, 2021 meeting, adopted Resolution No. 21-071 and Ordinance No. 21-2115 establishing this modification to Section 2708.1(b) of the Carson Municipal Code.

On June 15, 2021, the State Public Health Officer also released information regarding Mega events (greater than 5,000 indoors and 10,000 outdoors) will be required to verify vaccination status or testing of attendees. Mask restrictions are expected to be lifted for people who have been fully vaccinated. Current guidelines under Appendix BB require all attendees be tested or vaccinated at indoor private events with a maximum of 200 attendees. Outdoor events are limited to 200 capacity and up to 400 if attendees are tested or vaccinated.

Vaccine Distribution Sites in Carson

On February 15, 2021 through February 19, 2021, Dignity Health operated a vaccination site at the Dignity Health Sports Park for City of Carson residents and others by way of appointment only. This vaccination event, held that week from 8:30am to 4:30pm, vaccinated 4,000 people a day for a total of 20,000 people. The site reopened from March 15 - 19 to distribute the required second shot for those who received the 1st shot previously at that location.

On February 25, 2021 the City of Carson in collaboration with Carson Pharmacy, provided a “Pop-Up” Covid-19 vaccination site that administered 225 vaccines for Carson residents who are 65 years of age and older. Due to the success of the “Pop-Up” vaccination site, the City and Carson Pharmacy have continued to collaborate with additional clinics held on March 18, April 1, 8, and 27. Effective April 20th, the City of Carson in collaboration with

Carson Pharmacy is providing a “Pop-Up” Covid-19 vaccination site every Tuesday and Thursday of each month for the remainder of 2021.

On April 10, 2021, the City of Carson in collaboration with CARE Ambulance provided a “Pop-Up” Covid-19 vaccination site at the Community Center that administered 500 vaccines for Carson residents.

On April 14th, the City of Carson in collaboration with Behavioral Health Services, Inc. provided a “Pop-Up” Covid-19 vaccination site at Veterans’ Sports Complex with 1,000 vaccines administered.

On April 14th and 15th, 2021, the City of Carson in collaboration with Tri-State Community Healthcare provided a “Pop-Up” Covid-19 vaccination site at Stevenson Park with 150 vaccines administered on each day.

On April 21st and 22nd, 2021, the City of Carson in collaboration with Tri-State Community Healthcare provided a “Pop-Up” Covid-19 vaccination site for a second week at Stevenson Park with 300 vaccines administered each day.

On Saturday, June 5th, 2021, the City of Carson in collaboration with Nikkei Credit Union/Mabuhay Credit Union provided a “Pop-Up” Covid-19 vaccination site at the Community Center with 500 Pfizer vaccines made available for those in need of their 1st shot. June 26th, 2021, the 2nd shot for this “Pop-up” vaccination site will be administered.

Small Business Programs

The City of Carson, in partnership with the California Community Economic Development Association (CCEDA), launched the Carson Small Business Coronavirus Business Assistance Program to provide support for small business impacted by the COVID-19 virus and associated restrictions. The program has provided technical assistance to businesses seeking Emergency Injury Disaster Loans (EIDL), Paycheck Protection Program (PPP) funding (now ended), other loan programs as well as general business assistance in managing this crisis. To date, \$6,300,000.00 in Federal Loans have been received with assistance from the City. Businesses in Carson were eligible for emergency loans of up to \$30,000 from the City of Carson’s own Loan Program funded with \$500,000. The City Council increased the Loan Program amount to \$650,000 with a total of \$650,000 being fully funded.

City Rental Assistance Program

The City of Carson has created a one-time Emergency Rental Assistance (ERA) for individuals and families renting in Carson and financially impacted by the COVID-19 pandemic. The City has approved 43 grant recipients and awarded \$224,860 out of \$335,932 budgeted.

The financial assistance is available for up to a maximum of \$10,000 per qualified households, is based on actual need for monthly rent payment and does not have to be repaid.

For more information on the ERA program please visit:
http://ci.carson.ca.us/CommunityDevelopment/housing_cdbg.aspx or call (310) 233-4829.

City Hall

Effective Tuesday, June 1, 2021, City Hall opened to the public by **appointment only** Monday through Thursday from 7 AM to 6 PM. We continue to encourage the public to utilize online and telephonic services as well. Appointments to City Hall continue to average around 60 per week.

City Events

At the June 10, 2021 Disaster Council meeting, it was recommended to allow in-person events beginning in September 2021, subject to State/County orders. Also, the Disaster Council recommended the restart of meetings of Commissions, Committees and Boards (CCBs) beginning with the Women's Issues Commission for the month of July virtually and the remaining CCBs beginning in the month of August 2021 virtually.

For the week of June 7 - June 10

CITY HALL	APPOINTMENTS
Human Resources	11
Finance	2
Public Safety	5
Building & Safety	18
City Clerk/City Treasurer	5
Business License	19
Community Development	1
TOTALS	61

Parks

Parks are open for active recreation while continuing to follow LA County guidelines. Outside picnic reservations are now being issued. Beginning on Monday, June 14, 2021, parks will be staffed from 12:00 pm (noon) to 9:00 pm.

Recreation Programs

Youth Sports are in full swing for t-ball, baseball and softball. The next youth sports season will be flag football and soccer. registration began at the parks on Tuesday, June 1, 2021.

Adult Sports started on Sunday, April 10, 2021 running baseball games with a total of 23 teams. For softball there are 14 co-ed teams and 7 men's teams playing. An interest list is

being built of teams for soccer and basketball.

Kids Club/Licensed Childcare Programs

Per earlier guidance provided by State and County authorities, Kids Club/Summer Day Camp reopened on Monday, June 29, 2020. Summer Day camp will open on Monday, June 14, 2021.

Community Services is working with Human Resources on interviewing and recruiting staff for city summer programs including Summer Day camp, aquatics, parks, and an enrichment program.

The following table summarizes the number of participants for:

Week of June 7 - June 10, 2021

PARK	ALL DAY	AFTERNOON	TOTAL
Calas	14	0	14
Carson	0	0	0
Del Amo	7	0	7
Dolphin	12	0	12
Veterans	14	0	14

Carson and Los Angeles County Cases per 100K

Current reports have indicated a stabilization of the number of positive COVID-19 cases. We want to provide a note of caution, however, that there are now a number of variants to the virus circulating that have higher transmission rates than the earlier form of the virus. There is concern that this could result in another increase in positive cases.

Hospitalizations in Los Angeles County

Medical Point of Dispensing (MPOD)

The City, in partnership with the Los Angeles County Department of Public Health, has established the Community Center as a Medical Point of Dispensing (MPOD) for the COVID vaccine. This would enable the City to be selected as one of the County's sites.

On May 11, 2021, the U.S. Food and Drug Administration expanded the emergency use authorization (EUA) for the Pfizer Covid-19 vaccine to include adolescents 12 years of age and older. Previously the approval was for ages 16 and up.

Vaccine Education

Residents can view on the City's website the educational Town Hall that was conducted by the City

on February 11, 2021 featuring UCLA Health Physician Evelyn Curls, MD, MBA. Also available for viewing is the City's second educational Town Hall conducted on March 25, 2021 in collaboration with CSUDH and Dr. Ana Sophia Lopes.

The City has a website at www.carsonca.gov/vaccine <<http://www.carsonca.gov/vaccine>> to inform residents about vaccines, vaccine site locations, education webinars by various entities and recorded videos of previous vaccine-related town halls.

Individuals who are apprehensive of potential side effects, have a history of allergies or are hesitant for any reason should consult with their physicians regarding any concerns.

Vaccines with Emergency Use Authorizations (EUA)

Vaccines are not fully effective until two weeks after the second dose for Pfizer and Moderna and 2 weeks after the one dose for Johnson and Johnson.

Pfizer-BioNTech	Two dose series separated by 21 days. Indicated ages of 12 years and up.
Moderna	Two dose series separated by 28 days. Indicated ages of 18 years and up.
Johnson & Johnson	One dose. Indicated ages of 18 years and up.

V. FISCAL IMPACT

Staff costs are being incurred by the City for the coordination, surveillance, communication and management of the COVID-19 local emergency, as well as costs for procuring related services and supplies. City costs are either being covered by existing department appropriations or new appropriations from the General Fund. All costs related to the COVID-19 pandemic are being tracked separately by staff who will continue to pursue all available reimbursements for eligible City costs incurred.
